APPLICATION FORM

Be sure you have filled out all required fields. Incomplete referrals will not be considered. After the referral has been sent, potential participant is required to call in weekly in order to remain on the wait list. The completed application package will be reviewed by the screening committee to assess eligibility into the program.

ADMISSION CRITERIA

- Potential participants must have 2 weeks (14 full days) sobriety from alcohol and drugs prior to admission to the program.
- Potential participants will be drug tested upon admission. If tested positive applicant will be declined acceptance into the program.
- Participants must be stable for residence in a non-medical setting. Applicants that require medical withdrawal will be required to do so before entry.
- Karis's Parenting Program can only facilitate children up to the age of two-and-a-half years old.
- Participants must be willing to live in a community setting in a semi-structured recovery-centered live-in program.
- Participants must be capable of participating in programming. Active participation is an essential requirement of programming.
